Load shapefile from http://downloads.gvsig.org/download/geodata/vector/SHP2D/Alicante_Cons-sup_ICV_SHP2d.zip
Open attribute table
'Area' button has not got icon (it appears in a red square)

History

#1 - 09/24/2012 11:38 AM - Juan Lucas Domínguez

- Status changed from New to Fixed
- Assignee set to Juan Lucas Domínguez

Fixed.

gvsig-desktop:r38902

(approx, perhaps 4/5 days later)

#2 - 10/01/2012 10:09 AM - Joaquín del Cerro Murciano

- Target version changed from 2.0.0-rc1 to 2.0.0-devel-2055

#3 - 10/10/2012 09:40 AM - Vicent Domenech

- Status changed from Fixed to Under review

In gvSIG build 2056 the button disappears.

#4 - 10/10/2012 10:13 AM - Juan Lucas Domínguez

- Status changed from Under review to New

Hello, there are three buttons of that type:

- Area: this button adds a new column with the area, it only appears in layers of type POLYGON
- Perimeter: this button adds a new column with the perimeter, it only appears in layers of type LINE or POLYGON
- Add X,Y: adds a the coordinates of the point, it only appears in layers of type POINT

If you tried a layer of LINES, then the area button must not appear. If you have tried a layer of type POLYGON and the area button did not appear, then that is a bug and please add the SHP file in a ZIP file.

I have seen that the "Add X,Y" icon is also missing (you can see the red square if the layer is of POINTS). I have already added a new bug:
