Description

Changing values in the method section, the other values should change synchronously.

History

#1 - 11/15/2012 12:46 PM - Ignacio Brodín

- Status changed from New to Fixed
- Add-on name changed from Unknown to Tools: Raster tools (org.gvsig.raster.tools.app.basic)
- Add-on resolve build set to 15

The problem was that the view had a view in geographic coordinates. This tool did not work with a view in degrees. Now it should.
