History

#1 - 01/11/2013 03:02 PM - Juan Lucas Domínguez

- Status changed from New to Fixed

Automatically setting table CRS in CRS button as initial value (it can be changed by user).

gvSIG-desktop:r39597

gvSIG-jcrs:r74

Test:

- Open GeoBD to add tables from DB
- Choose two tables with different source CRS and the settings will automatically change, so without any additional clicks, each table will be reprojected on the fly or not, depending on the automatic settings.

#2 - 02/06/2013 10:53 AM - Joaquín del Cerro Murciano

- Target version changed from 2.0.0-final to 2.0.0-rc5

#3 - 02/26/2014 12:33 PM - Álvaro Anguix

- Status changed from Fixed to Closed
