Description

Create project using ArcGIS(10.1) shape file all functionality is normal to include project save. When project is reopened the information console is launched with the error. Error log attached. Using GvSIG Version 1.12.0 Build 1417 Java 1.6.0_24. I tried loading JRE32 as a resolution with no effect.

Issue moved here from issue #1829 wrongly created in the gvSIG-educal project.
