#### Description

Even if the Postgres/Postgis plugin is installed, there is a an error message when trying to connect to a Postgis DB.

#### Note:

As a test, I have added the necessary JAR files, but there was another error message when trying to open the table of attributes. I have not added that as a new ticket, but it might happen again.

#### History

##### #1 - 07/09/2013 02:57 PM - Manuel Madrid

- Priority changed from Normal to Urgent

##### #2 - 09/17/2013 05:18 PM - Juan Lucas Domínguez

- Assignee set to Juan Lucas Domínguez

##### #3 - 09/18/2013 10:23 AM - Juan Lucas Domínguez

- Status changed from New to Fixed

Fixed after overriding some methods.

##### #4 - 01/28/2014 09:29 AM - Álvaro Anguix

- Status changed from Fixed to Closed
