There is a wrong behaviour with the default filter selected. See

<http://osgeo-org.1560.n6.nabble.com/bug-in-build-1411-gvSIG-1-12-Priority-to-quot-All-supported-files-quot-in-the-Open-dialog-of-Add-layr-td4980526.html>

I attach an easy fix, I will commit it if you agree.
