Description

en:
not sure if it's a bug.
When try select from set in filter windows, it displays "not implemented yet" (my translation)

es:
no estoy seguro de que sea un error
Cuando se intenta "seleccionar del conjunto" al hacer un filtro, muestra ventana "falta por implementar"

#5 - 07/10/2012 02:06 PM - Juan Lucas Domínguez

- Status changed from New to Fixed

- Target version changed from 2.0.0-rc1 to 2.0.0-devel-2050

This problem does not happen with BN 2049.

Can we close it now?

Or test it with next build (2050, alpha7)

Steps:

- Download this file and add it to a view:

https://downloads.gvsig.org/download/geodata/vector/SHP2D/comvalenciana_muni.zip

- With the tool "select by rectangle", select a lot of polygons (not all)

- With the tool "Filter", use this expression:

NOMBRE03 > 'M'

and click "Select from set" (seleccionar del conjunto)

The result is that a subset of the current selection remains (OK)

#6 - 09/03/2012 10:51 AM - María Maluenda

- Status changed from Fixed to Closed

Closed in the gvSIG build 2051
