#### Description

"Projection of selected raster is diferent that view projection."

should be:

"The projection of the selected raster is different from the one of the view."

View projection: EPSG:3857

View projection: EPSG:3003

should be:

View projection: EPSG:3857

Raster projection: EPSG:3003

See attached screenshot.

Hi Andrea,

from the last gvSIG builds that window is not shown because there is reprojection on the fly option. Could you check it in the last builds?

Cheers,

Mario

##### #3 - 08/03/2016 03:04 PM - Álvaro Anguix

- Status changed from New to Won't fix

In this case...I change it to won't fix
