Target version:			
gvSIG version:	2.3.0	Add-on resolve version:	
Keywords:	OSM, attribution	Add-on resolve build:	
Has patch:		Proyecto:	
Add-on name:	Unknown	Hito:	
Add-on version:			

Description

Because the tile attribution is required by many data providers, it would be right to show it on top of the view, just like in OpenLayers or Leaflet. For instance, it could be shown as a label on a (transparent) white background located in the lower part of the view.
