- *Target version changed from 2.3.0-2447-final (rev. org.gvsig.desktop-2.0.153) to 2.4.0-2850-final (rev. org.gvsig.desktop-2.0.220)*

#2 - 06/07/2017 10:34 AM - Mario Carrera

- *Assignee set to Mario Carrera*
- *Status changed from New to Fixed*

Hi Antonio,

the problem was that they are two different keys: the sentence and the URL. The URL was included in the sentence at the Italian properties, so it

appears at the sentence first, and then at the URL (although the Italian key for the URL doesn't exist it's calling to the English one).

I've fixed the Italian string for the sentence.

Cheers
