Hello, this is not a bug. It's an issue detected by a DEVELOPER. We need one of these two things:

- Some USER action which causes an error message or bad behavior.
- A reasonable piece of code that should work and does not work.

#3 - 01/13/2014 08:53 AM - Joaquín del Cerro Murciano

- Target version set to 2.1.0-2217-devel
