I think that is a good idea tell the name of the translator in the message of the ticket.

I already commit the changes related to the gvsig-desktop svn.

Some of the changes are for de org.gvsig.newgeoprocess plugin, that is still on the joinup forge. I don't have permission on it. See #408

#2 - 05/20/2012 02:43 PM - Antonio Falciano

- Status changed from Awaiting response to Closed

The Italian translators of description of geoprocesses are Ernesto Sferlazza and I. Many thanks for the commit. Cheers.

#3 - 07/24/2012 06:42 PM - Antonio Falciano

- Status changed from Closed to New

The changes for the org.gvsig.newgeoprocess plugin didn't happen in gvSIG 1.12 RC1 for the reasons explained by Francisco in #1, so this ticket is still open. I closed erroneously in #2. Cheers.
