Description

The jsi library needs the trove library for creating an index (JSIRTree). Now the pom file of jsi does not include this dependency and the geoprocess "Spatial index" crashes

Revision 38406 - 06/12/2012 08:08 AM - Cesar Ordiñana

Add trove dependency of the jsi spatial index library.
Fixes #739.

History

It needs at least 1.0.2 version which it is in maven repository and the dependency file has to install trove in org.gvsig.app/lib

I have reviewed the libFMap_dalindex project pom.xml file and the trove dependency is already there, linked to the trove 0.1.8 version. I suppose this is the one we had from the beggining, so I suppose it should work.

In that case the only thing to do is to add it to the distribution.xml of the appgvSIG project. I'm going to commit that change and let you test if it works, or if we need to update it to a newer version.
