History

#1 - 10/30/2012 06:49 PM - Manuel Madrid

- Target version set to 2.0.0-rc1

#2 - 10/31/2012 10:22 AM - Juan Lucas Domínguez

- Status changed from New to Fixed

- Assignee set to Juan Lucas Domínguez

After previous bugfixed, this problem does not happen.

Things to consider in testing:

- 1) User must answer the question to keep or remove the original geometry
- 2) The valid answers to that question depend on the active language (English Y/N, Spanish S/N, etc)

#3 - 11/13/2012 10:16 AM - Abenchara Socorro

- Status changed from Fixed to Closed
