#### Description

Opciones de menú básicas no funcionan: distancia, área, disponibles-mostrar, disponibles-liberar

#### History

#1 - 08/22/2012 11:07 AM - Juan Lucas Domínguez

- Status changed from New to Fixed

gvSIG-desktop:r38776

Fixed action command strings in extension classes.

#2 - 08/30/2012 02:15 PM - Joaquín del Cerro Murciano

- Target version changed from 2.0.0-rc1 to 2.0.0-devel-2052

#3 - 09/11/2012 09:32 AM - María Maluenda

- Status changed from Fixed to Under review

Need instructions in order to check the bugfix

#4 - 09/11/2012 01:03 PM - Juan Lucas Domínguez

- Status changed from Under review to New

#5 - 09/11/2012 01:10 PM - Juan Lucas Domínguez

- Status changed from New to Fixed

Steps in BN 2052:

- Create a view and add any shapefile
- Select the tool 'query\_distance' and draw a line string. You should see the length of the linestring in the application status bar (the values are not important now)

- Select the tool 'query\_area' and draw a polygon. You should see the area of the polygon in the application status bar (the values are not important now)

Now the order is important:

- Go to the menu "Tools > Development > Disposables > Show pending" and you should see a list in a dialog (it's not important the content of the list)
- Go to the menu "Tools > Development > Disposables > Free all" (nothing happens)
- Go again to menu "Tools > Development > Disposables > Show pending" and you should see a message saying that there is nothing to dispose.

If these steps are done without a problem, then the bug is really fixed.

**#6 - 09/18/2012 01:06 PM - María Maluenda**

- *Status changed from Fixed to Closed*

Closed in the gvSIG build 2052
